

Canceling

Customers may cancel service in a large variety of ways. We ask that you state the reason why you are canceling at that time. Note that we will NOT prorate or refund any remaining time or fraction of any pre-paid current activation period, whether it be a month or year.

You can:

-

FAX (785) 776-1633. Please make sure that you include your real name and username.

-

Mark CANCEL on your next email bill and return it via U.S. postal mail.

-

Email billing@kansas.net with your full name, account username, and reason for canceling. You MUST be connected to KansasNet's network and send from your @kansas.net email address. Your cancellation request will be rejected if you send email from another network, or from an address which is not your @kansas.net address; this is because we are unable to verify the authenticity of cancellations requests sent in that manner.
